At their May 20, 2008 meeting, the Santa Clara County Board of Supervisors approved a **annual** fee designed to recover costs associated with the management of the County Airports' aircraft storage waiting lists. In accordance with the *Schedule of Fees and Charges*, the fee is adjusted annually by the Consumer Price Index.

For the 2012 fiscal year, which starts July 1, 2011, the annual fee is \$51.50. Please remit your payment, payable to Santa Clara County Airports, by August 1, 2011. At that time, all applicants that have not submitted the requisite fee will be removed from the waiting list and their refundable deposit returned.

When submitting the annual fee, please update your waiting list data by completing the information below and returning with your payment.
